Officer Gregory Shaw

I would like to personally invite you to become a partner with PAL. We have all heard that "children are our future" and helping a child grow to their full potential has rewards beyond anything imaginable.

Programs and services offered at PAL are designed to involve children in various learning experiences to help them grow into productive and responsible members of our community. It is my belief that "Positive Images Develop Positive and Productive Minds." By providing positive adult role models including police officers and community leaders we can truly make a difference in a child's life.

I look forward to welcoming you as a corporate sponsor.

Overview

PAL is a cooperative effort of the Titusville Police Department, a volunteer board of directors, businesses and citizens. PAL is funded by public contributions and governed by the volunteer Board of Directors. Money raised by PAL is used to run programs for the children who participate and provides an avenue for participation for many children who would not otherwise be able to participate in organized athletics. PAL was organized with sports as the primary focus. The idea was, and still is, to use sports as an avenue to reach children who need positive values in their lives. Living in an ever-changing world PAL has now added a Youth Enrichment Center. Our goal is to help shape the youth of today, which will have a direct affect on the future of tomorrow.

Why PAL instead of some other activity group? PAL has police officers in our community showing kids that they care, they are human, and are willing to help them.

Our Mission

To offer the youth of our community a positive alternative to negative influences in the community by merging sports, cultural, educational, recreational, and civic activities. To provide young people with the opportunity to know police officers and community volunteers as friends, mentors, and role models. To help all youth develop leadership traits, respect for themselves, and respect for others, thereby building good citizens for tomorrow.

PAL Resale Shop

Located at the PAL complex on Sycamore Street, The Resale Shop has a huge variety of clothes, electronics, kitchen appliances, Jewelry and more. Open 5 days a week, we invite you to stop in and shop.
