Words from the Chief

"The Titusville Police Athletic League has embarked on a new era as we move into a new decade. As with most non-profit organizations, over the past few years the Titusville PAL has endured some financial hardships and challenges. During the country's hardest economic times of our era Titusville PAL has met those challenges.

Over the past few months, the Titusville PAL has adopted a new and improved business model, brought on additional community leaders to our board of directors (Brevard County Commissioner Robin Fisher, CEO of PMC George Mikitarian, Business Leader Ken Pinson, President of the North Brevard Branch of the NAACP, Rev. Glen Dames, and Dr. Pedro Carmona to name a few) that collectively, we believe will greatly enhance PAL's ability to raise money and improve programming for our targeted and valued clients—the youth of our community. These are exciting times for the Titusville PAL and we continue to look forward to our mission and goal; filling playgrounds, not prisons!

Chief Tony Bollinger, Titusville Police Department

PAL Membership

The Titusville Police Athletic League recognizes that in tough economic times, family's struggle to find those extra dollars for registration fees to various sports and programs for their children. That's why we are changing the way we manage registrations. Instead of a separate fee for each program we have developed an annual membership fee. Depending on family size this could mean a significant savings. In addition, by broadening our programming we insure that there is something of interest for everyone. We will be launching our new membership model at the Titusville Chamber's Jump 4 Joy Children's Day at Sandpoint Park on March 6 from 10 am—1 pm. Stop by the PAL booth to learn what PAL has to offer.
